Priority	Who	What	Why
10	Administrator	I want to control access to the administrator role	So I can view reports about the rental system
2	Employee	I want to register customers as members	So that I can help the customer rent furniture
6	Employee	I want to look up customer information by phone number or first and last name	So I can track previous purchases
8	Employee	I want to checkout items for customers	So that I can ensure the customer gets the correct items
3	Employee	I want to access the rental database	So I can keep track of the furniture inventory
1	Employee	I want to be able to log into my account	So that I can mangage my account and monitor customers rentals
7	Customer	I want to ask the employees to search for furniture items	So I can get the piece of furniture I want
9	Customer	I want to rent multiple items at the same time	So I can have the room style I want
5	Customer	I want to rent furniture items at any time	So I can have my furniture made recently
4	Customer	I want to be able to log in to my account	So that I can manage my account information and view my rentals
